We will journey with the people of God from the very beginning through a time line of their encounters with God, to the part that has not yet been written.

We will share a story,
We will wonder about it together, with words or silence, we will have time to ourselves to reflect and we will share a feast and a blessing together to end.
You can journey at all times in silence if you wish or

You can say whatever you want.

We will start and finish on time
Laughter will be an essential member of the group.

What is Godly Play?

An engaging and creative method for exploring our Christian faith and heritage.

A sacred space in which children can experience and engage with bible stories creatively.

Encountering and exploring the sacred stories of God's people, of knowing Jesus through his life and his parables and understanding the way in which we approach God through liturgical action.
A multi-sensory approach that combines story and play, while encouraging a calm and quiet way of working and reflecting on the story..
