Direct Aid Edinburgh were delighted with the knitted goods we donated to them last month. They will gratefully receive any knitted items we can send, but are also asking for 'sensible' shoes for adults and children (so no sandals, flip-flops or high heels). Please leave them in the buckets at the front of the church, or contact Liz Vasey if you need them picked up or want any further information.

**Traidcraft Recycling Appeal:** If you have any old, broken or unwanted jewellery (snapped chains and odd earrings are ideal) or any old/foreign banknotes you no longer need, you can recycle them at no cost and you will be supporting life-changing projects in East Africa and Asia. If you are able to support this appeal, please place items in the designated box at the church door. We are happy to accept gold, silver and costume jewellery as well as watches and old and new banknotes (UK and foreign). Broken and damaged items is the perfect way to start.
